

John Baker Elementary Children's Choice Newsletter

November 2009

November snuck up on us pretty fast along with the crazy change in the weather. Please make sure that you send your child (ren) with appropriate clothing for the weather.

This is the time of year where the schools are closed for several holidays and school functions. Almost halfway through the year!!

Please pay attention to

the calendar for days that Children's Choice will be going on field trips, going on at another school or not in session.

There are going to be some changes in the staff this November. Although her time with Children's Choice has been short, she is leaving us to further her career with another company. She thanks everyone for

their help this year and wish all of you and your families the best.

The rest of the John Baker staff along with the help our wonderful office staff will be at John Baker to make sure that your children will be safe and continue with care as normal.

Hope you all have a wonderful and warm November.
