

# Double Eagle News

## Join Us for the Celebration of Learning!

The beginning of this month brings a lot of excitement. Not only is this the last month of school, but it is almost time to celebrate Children's Choice's 20<sup>th</sup> anniversary! At Double Eagle we are preparing for the celebration. Double Eagle will perform at 11am, May 6<sup>th</sup> at the Children's Choice office (10601 Lomas Blvd. NE). We will perform a dance and premiere a music video from our cooking class. We will also be running two activities: Upcycled Instruments and DIY Rainclouds. We are excited to contribute decorations, music, and fun to the celebration. We will even have a piece of art made by the kids of Double Eagle up for auction. Make sure to mark your calendars and bring the whole family to celebrate twenty years of fun!

A piece of art we are working on for the Celebration!

### Children's Choice

Volume 11, Issue 10  
May 2017

### Reminders:

- ❖ May 25 Early Dismissal from School, Make Sure to Bring a Lunch!
- ❖ May 26 No School, Full Day at North Star Elementary School, make sure to bring a lunch!

## April Gardens

April showers will hopefully bring May flowers here at Children's Choice. Our staff member Lena started a gardening club. Together we planted different types of wildflowers and sunflowers. This not only teaches our kids about responsibility and how important it is to take care of our planet, the kids are also learning about plant science. Every day we take turns watering the plants and checking for new sprouts. We already have a few green vines sprouting and hope to have a full plant to take with us to our summer site.
