

November Newsletter

Arroyo Del Oso

Upcoming Events

October 26th is a national After School celebration called "Lights on After School." Our community will be participating by learning how to create light art using long exposure camera techniques as well as shadow casting our bodies. Look out for us telling these stories next month in our newsletter.

Important Dates:

November 20th-22nd there is no school. Children's Choice will be open from 7:00AM-6:00PM at Zuni Elementary at 6300 Claremont Avenue. Please remember to **BRING A LUNCH!** November 23rd & 24th Children's Choice is Closed

In October Children's Choice at Arroyo del Oso got to enjoy field trip to the Albuquerque Zoo, the kids had so much fun getting to learn about the various animals. We also had "Glenda the Good Witch" a local storyteller come visit our community and share some stories to get us in the mood for Halloween right around the corner! We have more field trips and presentations coming up throughout the end of October and November. Remember to pick up a copy of the Calendar at the parent table to stay up to date on field trips and events.

Our Older Kids came up with the idea to create their own play in our community. They are currently creating costumes and the script as well as fliers to invite parents and children to come see it. The performance date has not been set yet but keep an eye out in the parent area for info about "The Halloween Haunters" premiere!

Theater Class creating their own stories.

Enrichment Classes

The Enrichment Classes at Arroyo Del Oso have been doing some awesome things.

Our Art classes have been using clay as a medium creating sculptures and even eraser tops to use in school!

The theater class is learning to create stories and shake away any stage fright while they are at it!

A few of our classes still have space, please contact Brian if you are interested in joining them.
