## CC Community Gives Back!

This year at Children's Choice Double Eagle we will be focusing on a local community project each month. We hope that this will allow our kids to learn about people and places around our city. For the month of October the kids made fleece blankets for Animal Humane. They all worked together and created 6 medium size blankets to donate. Projects like these let the children practice responsibility, compassion, and offer them a chance to positively affect the lives of others. It was really great seeing our kids take pride in their work, knowing the good they were doing by giving back to their community.

## Dodging Our Way to Fun!

Our work is children's play! During our fall break Monique, got a game of staff vs. kid dodge ball going and it was one for the books!

Active play is a great way for the kids and staff to build relationships while learning the importance of good sportsmanship, team work, team spirit, and following the rules!
