WE HOPE YOU HAVE A SAFE AND HAPPY HOLIDAY BREAK!

Dear Parents and Families,

This holiday season our kids here at North Star Children's Choice are giving back to their community in various ways. They will participate in a variety of activities such as making blankets for animals in shelters, putting on a clothing and food drive, and putting together care packages for homeless shelters. As you can see, we will have some very busy elves here at Children's Choice! In order to accomplish all these caring deeds, the kids are putting on a Fun Run to raise the money needed. The run will take place on December 15th at 4 pm and we encourage all kids and families to join in on the fun. The kids are designing t-shirts for the event and we will have an order form for them sometime next week. In addition, the kids will be making amazing medals for participants of the run. The run will have a \$10 registration fee and we will have a price for the shirts once we have our design picked out. We appreciate yours and your children's involvement in helping our community have a brighter and jollier holiday.

If you have any questions about the run or would like to volunteer to help the kids, please talk to Sierra and Vanessa when you pick up your kiddos.

CC Football Club by Josh L.

Football is awesome. We are starting a CC football club to help us learn better sportsmanship and so we can have more fun. Football Club will be every Wednesday with Joseph at 3:00 on the field. We will separate into teams that will stick together for the rest of the year. We will come up with team names and even have a CC Super Bowl in February! Hope to see you there!

Every year we have a tradition of doing a Turkey Trot at CC. The kids are separated in two groups, older and younger, and they have to chase the staff dressed as turkeys in order to win fixings for their Thanksgiving dinner. The winner wins an actual turkey to bring home to their families.

This year the kids voted to have Sierra and Michael be the turkeys. Thanks to everyone that participated!

We love getting dressed up here at CC , any time of the year!
