You must sign up on-site by
Tuesday, January 9th to attend.

Tuesday, January 23rd

Continuous Quality Improvement
Team Meeting

6:00 in the Cafeteria

Dinner Provided

Monday, January 29th

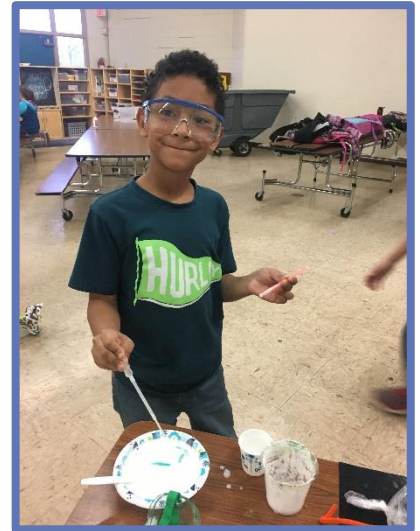

Enrichment Classes Begin

The Farm Comes to Sombra- On Tuesday, November 21st, we had some very special guests visit our program. CC staff member, Arisbeth, brought her horse and some baby chicks to the school. The Sombra and John Baker kids held baby chicks, rode the horse, and explored the horse trailer. They also learned how to safely feed the horses and how to measure them with their hands. Chloe said her favorite part was " seeing the real live horse."

Science Month

We kicked off Science Month with Science Palooza. First we created a poster listing the steps of the Scientific Method. The kids then used the Scientific Method and a variety of ingredients like baking soda, vinegar and oil to conduct their own individual experiments.

Pinto Bean Garden

On December 4th, 2017 we started our Pinto Bean Nursery by placing Pinto Beans in a wet paper towel inside of a baggie. We left the beans in the baggies taped to the window for a couple weeks until they started to sprout. Then we we planted the sprouts in soil.

Enrichment Classes

Enrichment Classes will begin on January 29th, 2018. We still have room in the following classes:
Monday- Music K-2
Tuesday- Sports K-2
Wednesday- Fun and Fit K-2
Thursday- Theater K-2
Friday- Science K-2 and Music 3-5
Please talk with a staff if your child would like to join.
