March 2018

Financial Assistance is available
through CYFD-841-4800

Homework Club

Monday-Thursday from 3:30-4:30 we run a homework club in a quiet space so kids can play and eat snack and then get their work done! The staff is always available to help all day in the core program!

Important Dates in March

March 8th and 9th: School will be closed for parent-teacher conferences. Care is available from 7am -6pm both days at North Star. Remember to bring a sack lunch.

March 21st: FANCY FAMILY NIGHT!

Join us for an extravaganza of entertainment and dinner. Bring the whole family!
Events begin at 5:30 in the cafeteria.

March 26-30th: School will be closed for Spring Break. Care is available from 7am-6pm at Double Eagle. **Sign up for Spring Break online. The deadline to sign up is March 19th.**

The North Star kids helped us with the CC Summer Fun Camp flyer photoshoot. We traveled through the decades to make a stellar poster for our "Time Bandits" themed Summer Fun Camp. Keep an eye out at the end of February for Summer Fun Camp information. Look forward to 11 weeks of fun, field trips, swimming and new friendships!
We can't wait to travel through time with you!

Bouncing into spring!

While hoping for at least one snow day, we are also springing into this great weather with lots of outdoor games to get our blood pumping! The kids at North Star CC have been really into balloon games, from balloon volleyball to a balloon bounce race. We love getting outside and enjoying the fresh air.

Magic is in the Air!

We love to have visitors here at CC and this month we were lucky enough to have Tall Paul, named New Mexico's funniest family entertainer, specializing in unforgettable children's programs. We had a great time learning tricks, illusions and having a lot of laughs!

Discovering Dinos!

We wondered what our fossils looked like millions of years ago. We covered the dinosaurs in clay and painted them according to pictures in our dinosaur books. We also made some kooky looking ones that we would have loved to see!
