

Georgia O'Keeffe Newsletter

April

Our theme of the month is "Community Cares". We will be focusing on how to create a caring community with activities such as Earth Club and recycling education. We will experiment with mood matching and mirror drawing. Clubs will also include the bigger community and focus on sports around the world.

Field trips this month:

April 10th we will go to the Planetarium at the Natural History Museum.

April 25th we will go to the zoo. Remember to wear walking shoes. 

The field trips run from 2:30-5:30. We will provide a sign-up sheet for field trips one week prior to the field trip. If you would like your child to attend, write their name on the list. If your child chooses not to attend on the day of the field trip, they may stay back. However, children may not choose to go on the day of the field trip if they are not already signed up to attend.

Dates to Remember:

- **April 13th Register for summer before early bird deadline** to get the best rate.
- **May 25th Deadline for making changes to summer contracts**

Children's Choice Community

Last month, Sam ran a mystery club in celebration of St. Patrick's Day. Someone stole the leprechaun's gold! The kids helped look for clues to solve the mystery. First, the kids were told that there was gold in the PTA room from a leprechaun. When they got there they found the pot dumped and some shady footprints. Their mission was to go and measure everyone's feet and ask the staff questions. They measured the footprints. They also tracked down missing pieces of gold. At the end of the day, they found out who the culprit was and were able to return the gold to the rightful owner.

Children's Choice

Volume 4, Issue 8
April 2018

Reminders:

There is a lost and found bin in the PTA room. Feel free to look through it for any missing items.
