

Welcome back to another awesome school year at Children's Choice at Arroyo Del Oso! If this is your first year with us, we are so excited to have you in our community and encourage you to come to us with any questions, comments or concerns. If you have been with us for a while now, we are so excited to start another year full of fun and novelty with you and your family. We are happy to announce that our staff Giovanni, Allysa, Matt, Natacha and Brian are all returning to our community and we are excited to welcome our new staff Monica to the team! We are super excited to keep building on and creating new relationships with everyone at ADO.

Keep an eye out each month for our calendars and newsletters to keep you up-to-date on all of our activities and field trips. We will also post a monthly snack calendar so you know what food we will be serving each afternoon. All this information is in the parent area where you will sign your child out every day.

Children's Choice will be running Enrichment Classes starting September 4th. Registration for our enrichment classes will open on August 13th and will end August 20th.

If you ever need to get ahold of us at the site to report your child's absence from after school programs or if you have a question, call us at (505) 340-9656.

For more information about our programs please feel free to talk to any of our staff, visit our website (www.childrens-choice.org) or call our office. We will try our very best to help you with whatever you need!

Your very devoted team of childcare professionals,
Brian, Natacha, Allysa, Matt, Giovanni, and Monica.
