The John Baker Staff

News and Notes

We want to make this year a safe, fun, and enriching experience for all of our kids.

What should we do? Where should we go?

If you have suggestions for activities or field trips, please let us know. In particular, if you work someplace that might be a fun destination for a field trip we would love to hear about it.

We need your help:

Throughout the year we need parents to visit and observe our program, if you are interested please let us know and we'll be happy to explain the process.

What we can use:

We will always welcome donations. If you have anything you think we might be able to use in our art, construction, drama, games, or outdoor play areas please keep us in mind.

September 3rd - Labor Day
