What have we been up to?

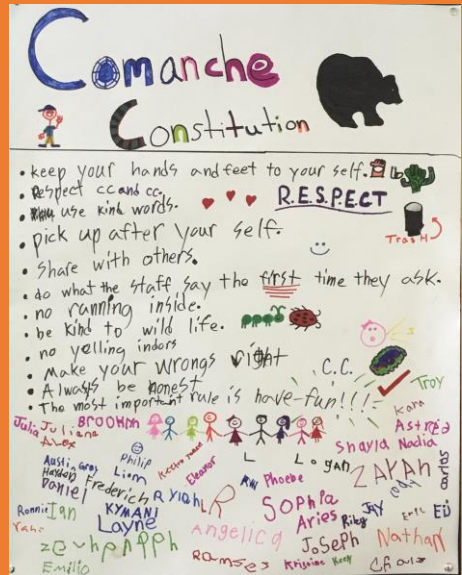

Making friends: Our Kindergarteners have jumped right into the swing of things. "I love my class and my friends!"

Boys Being Boys: Our Older Kids Area has been a popular place to just relax, play some games, or show off your sweet dance moves. The boys have been doing their best "Whip and Nae Nae." They have earned their own area by working diligently cleaning our community and being excellent role models.

Working Hard: Our kids have been busy working on art projects. Layne, seen here, is building a bus out of an old box and some cups. "I'm gonna make it a convertible bus."

Our Children's Choice Constitution was written and designed by our Older Kids Club. It contains the signatures of all the kids in our Comanche Community, and "It has a Mama Bear to watch all of us Cubs."

Here to Help: Our Homework Club has become quite popular. Kids are eager to get their work done, so they can relax and enjoy quality family time at home. "I want to finish my homework for the whole week."
