

John Baker News

September 2018

We have had a good start to the new school year and are excited to introduce the kids to our September activities. We have a lot of fun things planned for this month. Feel free to stop in anytime and see what we are up to.

The John Baker Staff

This month we say goodbye to William. We wish him all the best as he heads out into the world to seek fame and fortune. We will certainly miss his funenergy and enthusiasm.

News and Notes

September 10th

Our enrichment classes begin September 10th and run through December 7th.

September 12th

Our first field trip of the year will be to the Natural History Museum and the Dynamax Theater. We will leave the school at 2:30 and will return at 5:00. Be sure to sign up on the sheet on the parent table during the week before the field trip.

September 27th

We will have our State Fair Day, running from 3:00-5:00. Fun games and good food will be the focus of the day. Families are welcome and encouraged to come play and visit.

CQI (Continuous Quality Improvement)

Parents, we will have our first CQI meeting on Thursday, September 20th at 6:00. Come for food and give us input about what you would like to get out of our program. We typically meet once per month to discuss how things have been going and what is upcoming, in addition to recruiting volunteers to help us with surveys and program observations.

Construction Day

Our construction area is always one of the most popular places for our kids to spend time during the day. This year our kids spent quite a while building an elaborate tower, getting to know our new train table, and making individual projects with blocks and legos.

We're just getting started...

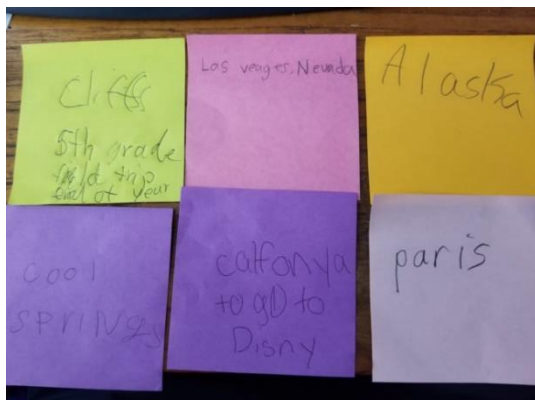

Wait, wait!!! We aren't finished yet!

Wow! Look at what we built!
(After 90 minutes of hard work!)

Look at our awesome new train table
(thanks to a very generous donation).

Field Trip ideas from our suggestion board:

Las Vegas, Alaska, Cliff's, Cool Springs, Disneyland, and Paris.

If we have a bake sale every day for the whole year I bet we could afford to take everyone to Paris on the last day of school.

Hmmm... Something for us to think about!
