

Georgia O'Keeffe Newsletter

October

Our theme of the month is Rocktober. This month our activities will be rock and roll and geology focused.

Field Trips This Month:

October 9th we will go the Main Library Downtown. (Rescheduled from September date)

October 24th we will go to Holiday Bowl. Remember to bring socks! 🧦

The field trips run from 2:30-5:30 pm.

On field trip days we will offer stay backs. We will provide a sign-up sheet for field trips one week prior to the field trip. If you would like your child to attend, write their name on the list. If your child chooses not to attend on the day of the field trip, they may choose to stay back. However, children may not choose to go on the day of the field trip if they are not already signed up to attend.

Enrichment Classes

Enrichment classes are in full swing. If you would like to change your child's enrichment schedule, be added to a waitlist for a class, or call to let us know that your child will not be attending you may call the site phone and leave a message (504-4943).

Around the Community

We spotted some kids and staff doing interesting things. When we investigated further, this is what we found:

In art area we spotted a Playdough art gallery.

This one is a gold fish pond. There is a teddy bear fishing on the edge of the water
