

Sombra Del Monte November 2018

November is History Month at Sombra Del Monte

Our activities this month will be focused on History. We will be running the following clubs: Ancient Egyptian Adventure Club with Megan and Arisbeth, Architecture and Planning Club with Andrea and Animal Crafts Club with Marie. Ethan and Evan will be leading Football Club in the mornings. We will relive The Oregon Trail with Sommer and recreate The Gold Rush with David as well.

You're Invited!

We have some opportunities for you to get involved with the Sombra Children's Choice Community.

Tuesday- November 6th, 6:00pm- Continuous Quality Improvement Team

Meeting- Thank you to all of the families who filled out a survey. Please join us as we discuss ways to make Children's Choice better. Dinner will be provided!

Friday- November 16th- The Annual Turkey Trot- Every year one of the staff dresses up like a turkey and the kids chase the turkey. The winners of the race will win a real turkey or traditional Thanksgiving dishes. Families are welcome to come and watch. The race will begin at 3:45pm on the Grass Field.

Paint Party Club

We worked on a different kind of painting every Tuesday morning this month. Edmond said- "You could like paint and then you could grab a straw and blow on the liquid and you could make tree branches. And if you didn't want to do that you could just go paint instead."

Roctober Music Trivia

This month the kids learned about classic rock music. Gi Gi explains- "It was a song about Roctober. We popped balloons and we got candy out of them. And we passed it to other people like around and around...The game was called hot potato." Conner added, "We were popping balloons so we had a piece of candy and, we had to read the question on it and respond. The questions were about bands and music."

Juggling Club

Alessia explains- "Juggling is when you throw stuff in the air and you try to catch it. In this case it was scarves. So you throw one in the air, you catch that and you throw the other one in the air. And we are trying to teach the littles how to throw. You can juggle with two or more. Eli added- "The scarves are pretty light." Erika said "its fun, the scarves are really pretty when they go up in the air." We will continue Juggling Club next month.

Rock Solid-Breaking Geodes

Justin said- "We were passing around a geode. The geode is made from the earth. I was the one that took the pictures." Jeremiah said- "We learned that geodes get formed by the water, when the water seeps down into the rock and then when it evaporates it leaves all the rocks and stuff."
