If you would like your child to stay back from any field trips, please add them to the stayback list on the parent table. Chaperones are always welcome, please speak with the staff if you are interested in accompanying us! We would love to have you. Field trips depart Osuna between 2:15-2:30 PM and return by 5:00 PM.

Turkey Trot

In November, we held our fourth annual Turkey Trot! The Turkey Trot is a Children's Choice tradition where we run a special race and the children compete to grab feathers off the "turkey." The first person to grab a feather wins a turkey to take home for Thanksgiving, and the runners up take home Thanksgiving sides! This year, older kids who were role models in the community were selected to run as the turkey for younger kids. For the first time ever, we had so many returning middle school alumni that we also sponsored a special race for middle schoolers!
