

Sombra Del Monte January 2019

January is Backwards, Upside Down, and Inside Out Month at Sombra Del Monte

Our clubs include: Talent Show Club hosted by Ian, Kree, and Ronni, Magic Club with David, Knitting Club with Megan and Minecraft Mania Club with Jabez.

All Arts Day with Ronni and Winter Wonderland

On Monday, December 17th we celebrated All Arts Day by creating a Winter Wonderland. Zac and Eli told us about their art project, "We made a winter wonderland out of cardboard and tape. I've never been to a real winter wonderland." "Yeah, and I'm helping, we are going to go inside of the wonderland when we are done." Delilah explained her idea for a winter wonderland themed game, "I'm making a game, a snowball fight game. It is going to be called snowball fight. I wanted to try and do something creative and clever with this box and these supplies, not like a diorama. I wanted to make it cool and interactive." Kendra talked about her experiences, "I liked putting the snow on and painting it was the most fun part, we ended up making an LOL doll winter wonderland." Sophia informed us about her winter wonderland as well, "So I got a box, painted it white, and then I did a couple of layers, and then I got some glittery stuff and then I put the glittery stuff and put it on the floor of the

Let it Snow Club- Did you know you can make your own snow? Here's how we did it...

Step 1: We did a test to see if salt melts ice faster than sugar.

Step 2: We had to wet the diaper stuffing.

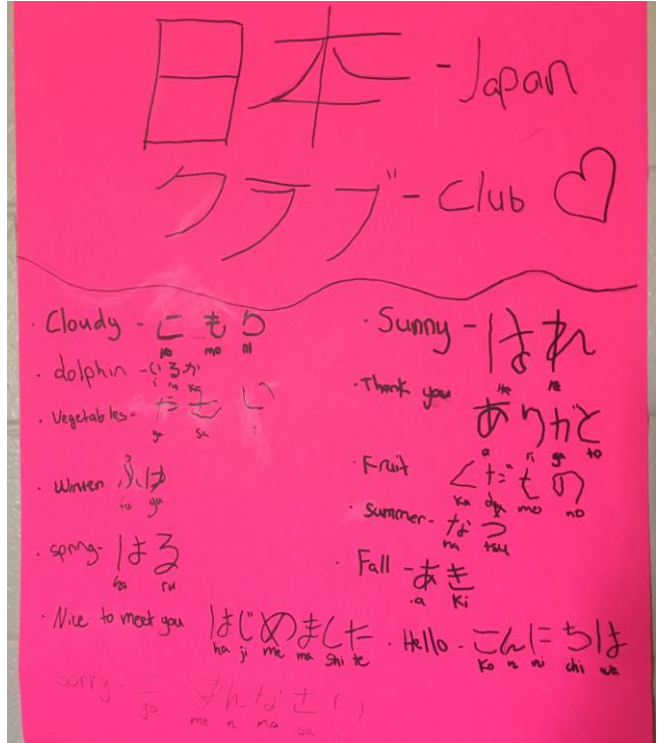

Step 3: We mixed everything together.

Step 4: We added food coloring for rainbow snow!

Japan Club- This semester we started learning Japanese. Here's what we have learned so far...

Jabez said, "I like the word dolphin. I like it in Japanese, but I don't know it in Spanish. Learning another language is important, because what if a family member or a friend speaks that language?" Sophia said her favorite word we learned was "...winter, because it was fun and easy to say." Zac said he likes "...the word for sun, it's ha re. I like learning other words so you can speak it to other people and that is pretty good." Alfredo added, "I can't remember a lot of the words but they are really fun to learn!"

On Thursday, December 6th, Jeremiah led a Lego Building Extravaganza Club. He said, "We're making the truck for sure, I know that." Eli added, "Look, I'm following the directions!" Tristan explained, "We built bases for our Lego war, mine was the big one."
