The BEARer of Good News!

Welcome!

A Word From Our Site Director:

January went by like a blur, but it was great getting back into the swing of things. We began our new enrichment classes, started brand new enrichment clubs, and even reintroduced Older Kids area into the cafeteria, where the older kids have the opportunity to gain independence through meetings, community service projects, and more.

This month brings new clubs, activities, and opportunities for fun. We will also be contributing a piece for Bandelier's Chair-A-Tea auction, so we hope to see you there

Important dates:

-Bandelier's Chair-A-Tea auction:
February 22nd.

Anything You Can Do, Kids Can Do Better.

When our kids asked us to start an impromptu face painting activity, we were happy to oblige. When our older kids decided to take the reigns and run the show without being asked, we were ecstatic. We think it's important for our community to be based on helping others, developing autonomy, and creating experiences through trial and error. Our kids were not only able to finish their desired project, but they also gained new skills along the way.

A Friendly Reminder:

For the safety of all children in the program, it is important that each child be signed in (AM) and signed out (PM) by an authorized adult. If your child will not be in attendance on a particular day, please call our site phone at (505) 459-0576 to let us know. This helps makes the sign in process go smoother and keeps all children in the program safe.
