

Georgia O'Keeffe Newsletter

February

This month our theme is "Healthy Hearts." The focus is on Valentine's Day and on being healthy. We will have cardio activities like jump roping for the heart and other active games. We will also learn about healthy and delicious snacks.

Field trips this month:

February 12th we will go to *Natural History Museum*

February 27th we will go to *Roller Skate City bring socks*

On field trip days we will offer the option for children to stay back. The field trips run from 2:30-5:30.

We will provide a sign-up sheet for field trips one week prior to the field trip. If you would like your child to attend, write their name on the list. If your child chooses not to attend on the day of the field trip, they may choose to stay back. However, children may not choose to go on the day of the field trip if they are not already signed up to attend.

Dates to Remember:

Presidents' Day – February 18th

We will provide care on President's Day at Georgia O'Keeffe from 7 am – 6 pm.

Please bring a lunch.

CQI

This month we will be continuing to work on our action plan from the surveys and observations and planning our next family night.

We will meet on Thursday, February 7th at 6 pm. Dinner will be provided.

Class Surveys

Every year we survey parents, teachers and students to get their opinions about what enrichment classes we should offer in the coming year. Your child will do their survey in their class. Parents and teachers will be emailed a survey. We want your feedback so please keep an eye out for the email!

Children's Choice Community

CC celebrated the holidays by throwing a dance party. Our "Holiday Kid-chella" involved the Older Kids' Club who spent weeks preparing. They all had roles to play, including decorating and serving refreshments. They made headbands with the other kids and decorated them with holiday flowers. They took turns doing face paint and adding jewels to faces. They also made props for the photo booth that everyone enjoyed.

We had a DJ group volunteer to teach the kids about what they do and let some kids watch the monitors. They had such a great time they are already planning the next dance party.
