

Georgia O'Keeffe Newsletter

March

This month our theme is Spring Fever. We will be focusing on anything that reminds us of the spring season. We will be planting terrariums, playing some sneeze tag, and making flowers. We will also be leading a March Madness club.

Field trips this month:

March 27 2:30-5:30 – Older Kids' Field trip

This month we have one field trip. The older kids will be choosing a destination. They are learning about friendly debates and voting unanimously to help them with their decision making. We will post the field trip as soon as they decide.

We will also be putting together a special field trip for anyone who wants to participate in our photography club this month. The field trip will give club members a chance to take pictures for our photography project.

Dates to Remember:

- **March 7th and 8th are parent/teacher conferences.** Children's Choice will be open at GO'K from 7 am to 6 pm. Registration is online.

Remember to bring a lunch!

- **Spring break is the week of March 11th-15th.** Registration will again be online.

Register for your school choice and remember to bring a lunch!

Club Surveys

Every year we survey parents, teachers and students to request feedback about what type of afterschool class should be offered in the coming year. Rather than emailing the surveys this year, you will be given a survey by your child's teacher during your parent/teacher conference. Be sure to complete it so that we may have an accurate representations of your wants for next year.

Children's Choice

Volume 5, Issue 7
March 2019

Reminders:

There is a lost and found bin in the PTA room. Feel free to look through it for any missing items.

Children's Choice Community

CC celebrated the Super Bowl with our annual football game on the field. We had a round up to discuss all of the activities on the field. We had our flag football game with Johnny that the players had been preparing for in the "Play Offs" club in January. We also had our sidelines show with Taryn and our hula hoop performers. Finally, Owen led a football toss game on the North side of the field.

It was a day of fun! As kids went home, parents were coming to the field to join the fun and grab a hotdog. The weather was nice all afternoon. The teams were cheered and the game was stopped when someone had a hard landing. The kids helped clean up the field after we were finished. The day was full of spirit, sportsmanship and togetherness!
