One of the children’s favorite things about Children’s Choice is getting to play outside and do fun things on the playground. The staff have been working to make outdoor play more enriching by adding new sports equipment that the kids have requested and finding ways to run more impromptu activities, like three legged racing pictured above.

The Annual Space Bubble Gum Pie Challenge!

Every January we hold an annual challenge where the kids challenge the staff to beat them at eating through a pile of whip cream to get to the bubble gum underneath. The first one to blow a bubble wins the challenge for that grade. Last year the kids won but this year the staff and kids tied!

Cross Stitching Morning Club with Katelyn!

In this child led activity we learned to cross stitch and made cool patterns like aliens, hearts, and stars. It was a great way to practice our fine motor skills!
