## Language Club: French

On Monday, February, 11<sup>th</sup>, we learned about the French language. JJ learned to say thank you, "Merci. It sounds like mercy." Mallory learned how to ask for something, "Je voudrais bread please." We also tried some French bread and cheese. Lavont said, "The top part tastes like wax." Kree said, "The cheese taste like butter." The Language club will continue on Monday, February 25<sup>th</sup> when they explore the German language.

## Sock Snowmen

On Friday, February 1<sup>st</sup> we made Sock Snowmen with Janette using socks, rubber bands, stuffing, fabric glue, googly eyes and whatever else we could find. Many of the kids made traditional looking snowmen while some made worms and dragons.

Ronni wrote a story about her creation:

### "The Life of Sausage" by Ronni

Have you ever wondered about the life of a Sausage? Well this sausage is just like Simon Cowell, well his twin. One day at 3 o'clock in the morning lightning struck a sausage factory. All the sausages were sold except for one. The lightning struck the sausage and the sausage was alive. The next day the factory workers went to work. Two minutes later the workers ran out yelling, "What was that?" Then there was a buzzing sound. "I guess there's no one with talent here." Sausage said. Next time you look at a plate of food ask yourself. Where has it been?

## Fairy Dust with Ashlynn

On Friday, February 1<sup>st</sup> Ashlynn wanted to make Fairy Dust. She asked everyone in the community if they wanted to sign up for her club. Several kids joined. All we needed was salt and food coloring. We needed something to put it in so we used cups. Tristan added, "I can make this 700,000 times, wait can you actually fly with it?"
