

Hubert Humphrey April 2019

April is "Here Comes the Sun" Month at Children's Choice!

This month at Children's Choice, we are focusing our curriculum on the sun, our solar system, spring time activities, gardening, and the rock band The Beatles.

Kid's Week in April!

We will be running Kid's Week here at Children's Choice April 15th to the 18th. During Kid's Week the kids get to act as staff and work together to run the site! Last year the kids had a great time setting up snack, running activities, greeting parents, and practicing problem solving with their peers. This has become a tradition the children look forward to every spring!
