Children's Choice Community

The Older Kids' Club is a good opportunity to have fun and do community projects. To celebrate all they do, the Older Kids Club got to choose their own field trip. They wanted to go on a field trip to an escape room! We had fun taking them to our main office where they could have a pizza and ice cream party and solve some mysteries!

The kids had fun solving the puzzles and finding clues to help them escape. They cut and pasted their clues and competed against the other teams to get to the end. Everyone had a good time and learned about teamwork.
