Arroyo Del Oso

Last month at Arroyo Del Oso we focused on helping our community. We did clean up projects and our older kids took a field trip to North Ridge Dementia Center to give back. Adrian said "It was fun to go bowling with them, they were really happy we were there". Kobe was excited that he could "teach someone older than me something I learned when I was younger. Our kids back at the site helping with cleaning up our school. We were able to fill 6 trash bags of trash from around the field and park by the school. Bella said "Community clean up club, CCC, is my favorite. We get to be on the track and help out ADO." Zoe said "My favorite part of last month was going to the Zoo, all the animals were actually doing things instead of sleeping!"
