Welcome Adventure

Seekers!

Summer is finally here, and we have been planning for over two months to make sure this is our best summer yet! We are excited to create an exciting summer where your child can bring their ideas to life in a safe, novel and educational environment! Please make sure you are checking calendars for any notices of change in our schedule. This summer we will be seeking adventures all over the galaxy! We thank you for choosing to spend your summer with us and are excited to start our adventure!
