August 2019

Welcome to Children's Choice.

We are so excited for the 2019-2020 school year! We are looking forward to meeting new kids and families and catching up with everyone from last school year.

Parent Area:

Parents please look out for important messages and announcements in the parent area. We want to make sure to keep you well informed about all the exciting things we have going on in the program. The parent area is where we will post monthly calendars and newsletters. This is also where we will post any updates or important reminders.

Sunscreen Reminder:

Summer is ending but the kids are still spending time out in the sun. If you indicated that you would like to provide special sunscreen for your child on the registration form please remember to send it with your child so that we can ensure that everyone is protected from the harsh New Mexico sun.

Just a reminder:

We ask that you bring your photo ID each time you pick up your child as we get to know all our new families!

Check out the bio board to learn more about our staff!

Please report any absences to our site cell phone

(505)504-4557

If you need to contact us we are available to speak directly from 1:30- 6:00 Monday- Friday!

Important Information for this Month:

- Kindergarten begins on August 14th.
- September 2nd Children's Choice will be closed for Labor Day.

Financial Assistance is available through CYFD-841-4800

Join us for Continuous Quality Improvement

We are looking for volunteers to join our CQI team. We are looking for willing individuals who can meet quarterly. This team of parent and staff volunteers will give feedback on Children's Choice policies and procedures, conduct program observations, collect and tally surveys, and give input to help us continue to make our program even better. If you are interested in participating, please see Sarafina to let her know. If you cannot make a commitment to meetings we are still interested in hearing your feedback. If you have comments or suggestions, please see a staff person, give us a call, or send us an email.

CC Homework Policy

Children are welcome to work on homework at any point during the afternoon at Children's Choice. Homework Club will be held in the hallway Monday-Thursday from 3:30-4:45 with a staff available to help. Please speak with a staff about your child's specific homework needs.
