### A Word From Our Site Director:

Happy September! In August, we got to go out into the community to make new friends and meet all of the staff. This upcoming month, we are focusing on planning and running curriculum with our kids' interests in mind. We are calling it, "Kids Call It" month, where kids and staff get to execute the curriculum they planned together. Pick up a copy of the calendar to see what the activities this month.

## CC Constitution

At Children’s Choice, we are able to build a place that belongs to all of us. By creating a constitution to represent our community, the kids and the staff are able to work together to decide what Children’s Choice represents, and what kinds of things we agree to do every single day. Our kids came up with some great ideas, such as being respectful to all people and supplies, and listening to others. They also included something we hope to do every single day at CC:

Have fun!

### A Friendly Reminder:

For the safety of all children in the program, it is important that each child be signed in (AM) and signed out (PM) by an authorized adult. If your child will not be in attendance on a particular day, please call our site phone at (505) 459-0576 to let us know. This helps makes the sign in process go smoother and keeps all children in the program safe.
