

Georgia O'Keeffe Newsletter

September

Our theme of the month is "The Magic of Rainbows". This month we will focus on the uniqueness of each of us. We will have curriculum that reflects the interests of both the children and staff.

Field trips this month:

September 11th-Hoots. Please bring socks 

September 26th-The Zoo Please wear walking shoes. 

Field trips will be scheduled for 2:30-5:30pm.

We will provide a signup sheet for field trips one week prior. If you would like your child to attend, write their name on the list. If your child chooses not to attend on the day of the field trip, they may choose to stay back. However, children may not choose to go on the day of the field trip if they are not already signed up to attend.

Enrichment Classes

Enrichment class lists will be posted on September 9th. You will also be notified via email if your child got into a class. Classes begin the week of September 16th. Fall classes will end December 13th. Spring semester classes will begin the week of January 27 and will conclude May 8th. Be sure to note whether your child's class will be semester or year long.

CQI

Join us September 18th for our first Continuous Quality Improvement meeting. These meetings help us gather feedback and improve our program. We will begin at 5:30. Dinner will be provided. We hope to see you there!

Homework

In addition to providing fun and enriching activities we can also help your child with their homework. We have a special area just for homework stocked with pencils and paper. We also have a staff member available to help with homework. Our homework club runs Monday-Thursday from 3-4 pm. If you would like your child to receive individualized homework reminders, please see a staff member for a homework contract!

Children's Choice

Volume 6, Issue 2
September 2019

Reminders:

Remember to check the Lost and Found for any missing belongings. We have changed the location for lost items to the main foyer. They are placed in the foyer at the close of each day.
