

October 2019

The BEARer of Good News!

A Word From Our Site Director:

October is upon us! Our curriculum theme for October is Spooky Science! All of our activities involve science with an added twist. Check out our monthly activity calendar for details.

Fall Break is October 10th and 11th, school is closed, but CC is open 7-6! Please **register your child through your parent portal** for one or both days, registration is open until **October 6th**.

On **Thursday, October 10th**, we are going on a field trip to **McCall's Pumpkin patch** with our friends from Manzano Mesa from 9:30 am – 3:00 pm. There will be **no staybacks**, so please remember to be on time, dress your child appropriately for a day on the farm. Remember a sack lunch on both days (Disposable bag on the field trip!).

Important dates:

October 6th: Deadline to Register for Fall Break

October 8th: CQI Meeting

October 10th: Fall Break Field Trip to McCall's 9:30am-3pm No Staybacks

October 11th: Fall Break

Sometimes you just need to slow things down. Quiet area is just the right place!

What's better than hanging around with your pals? Just ask Phoebe, Graciela, Ava, and Hailey!

Here at CC, we know that our older kids have their own needs. Stavi and Kym have facilitated Older Kids' Club, which initiated several community clean up projects last month. They have also made an effort to help out the younger kids at the site. Last week they unveiled Older Kids Area- an area actively maintained by the 4th and 5th graders within our community to host meetings, discuss community service, and more! Congratulations!

A Friendly Reminder:

For the safety of all children in the program and to be in compliance with the state child care regulations, it is important that each child be signed in (AM) and signed out (PM) by an authorized adult. **If your child will not be in attendance on a particular day, please call our site phone at (505) 459-0576 to let us know.** This helps makes the sign in process go much smoother and saves us the time it takes to call you, allowing us to be in the program with the kids rather than on the phone.
