Dear ADO Families,

What a great Fall we have enjoyed together! We had our first field trip to Sister Cities Park just down the street where the children showed exemplary field-trip behavior (and burned off some energy playing Zombie Tag with Maria, like Bella in the above picture). This month we will be heading to G-Force Gymnastics (November 8th) to enjoy some indoor recreation during what promises to be a very enjoyable field trip.

Please note that November has several days off from school, Election Day on the 5th and Veteran's Day the 11th, during which we will have Full Day services that you may register for online as usual.

November will finish off with the annual Turkey Trot - check your calendars! Also, with Thanksgiving approaching, from all of us at Children's Choice: Thank You for another great season and year of discovery and learning together!

Happy Fall, from the ADO Staff
