

Hubert Humphrey

November is "NM History" Month at Hubert Humphrey

We will be running curriculum focused on history here in our home state of New Mexico. We have lots of activities about roadrunners, cool New Mexican food and other things that make our home awesome.

Special Events in November:

The 5th Annual Turkey Trot will be held at 2:30pm on Wednesday, 11/20. During this November Tradition the children chase and try to catch a 'turkey' (person in a costume) for a chance to win a Thanksgiving Turkey! Good luck everyone!

Our first Continuous Quality Improvement (CQI) meeting will be Tuesday 11/19 from 6-6:30pm in the cafeteria. This is a volunteer team of parents and staff that meets to assess how the program is doing and make it even better! We meet over dinner and childcare is provided. Please join us if you can!

School is closed 11/25-11/29 for Thanksgiving Break. Children's Choice will be open at Osuna from 7am-6pm on 11/25, 11/26, and 11/27. We will be closed Thursday 11/28 and Friday 11/29. To sign up for care please visit your online parent portal and speak with a staff member if you have any questions.

Rock Candy with Jasmine

"One evening I was at Children's Choice and I looked out the window and saw a million fire tailed Mexican bats flying towards our school. Everybody was screaming and yelling and running for their backpacks and trying to leave and they were signing their selves out so they could leave. I was running to my moms rooms and calling for help. I knew bats were good for bugs but this was too much. We called bat control so they could relocate them to a cave to roost. We made sure they were safe at their new home. The school was free of guano and the bats were safe from people."

Sign Language Club with Ms. Laura

This month one of our parents, Ms. Laura, volunteered to come and teach our community some sign language two Wednesdays in a row. The kids learned different signs for common words and phrases and practiced a lot of emotion signs. This was great because the kids got to experience learning a new language from a sign language teacher and they also got to practice communicating about emotions. Thank you Ms. Laura for coming to share your passion with us!

If you would like to volunteer to teach our kids something, please speak with a staff member, we love having our parents involved in our program!
