Children's Choice Zuni

November 2019 Newsletter

## Community Highlights

**Tinkertown!** - October has been a month of adventure, pumpkins, tricks and treats. We took our annual field trip to Tinkertown to take in the scenery and get inspiration for our upcoming project; Tinkertown – Lego edition with Clara!

**Magical Donuts:** Our fall games day began by enjoying bewitching stories told by Vivian Harris and ended with our favorite fall game: donuts on a string. "Frosting gets everywhere!" says Aspen. We try to eat donuts without using our hands before they fall on the ground!

**Keep them Coming!** Thank you to all that have donated recyclables to our community. We are always in need and accepting: Cardboard boxes of all sizes, Egg Cartons, Paper Towel Rolls, Miscellaneous office supplies like paper clips and rubber bands. If you have any questions about a donation please speak with any Zuni CC Staff.

Thanksgiving Break  
NO SCHOOL  
Children's Choice CLOSED**

*Enjoy the  
holiday!*

**Developing a Green Thumb:** Melisa is teaching us about gardening! It's started in October and we are hoping to keep it throughout the school year. "We are going to grow plants through winter and hopefully have a great outside garden in the spring," says Melisa. We are pulling weeds and clearing out trash. It's been hard work, "the ground is hard and rocky," explains Lainey, "hopefully things will plant and grow!"

Competitors and the winners of our Tri-Wizard tournament. They got to take home their own house owls!

Having some dry ice sensory time with soap bubbles and a pumpkin bucket. We played for hours.

**October Around Our Community**

"This whole wall is glass bottles on both sides! Ny'Anna stands with her Tinkertown souvenirs baffled by the bottle wall as she entered.

Another tradition we have in October is 'Pumpkin Roll. Players take turn rolling a pumpkin and whoever rolls it the furthest gets to take home their own pumpkin to carve.
