

Arroyo Del Oso - March 2020

March at Arroyo Del Oso Elementary

This month will feature: March Madness with Taylor, Math Games with Casey, Car Questions with Ben, Crazy Painting with Monica, Bosque Visits with Maria, & Fry Bread with Natacha

Knowledge is Power – Why do we wash our hands?

Jay and Isaiah point to the petri-dishes used to collect microbial samples from around the school. The areas with the most germs? The toilet and computer keyboard. The cleanest place on campus? Isaiah's nose!

Quick & Easy Cleaning!

This year clean-up has gotten better and better! The staff have been trying to teach the kids more about teamwork and working together towards a common goal. As a community we have come a long way.

Children's Choice
Volume 20, Issue 3
March 2020

Reminders:

March 12th & 13th - Conferences
Children's Choice will be open for full day service (7am-6pm) @ ZUNI ELEMENTARY
You must register at childrens-choice.org.

March 3rd & 19th – Field Trip Days
We will leave the site by 2:30pm and return by 5:00pm.

Bosque Field Visits
March 4th and 18th
Small groups will continue their work monitoring the Bosque ecosystem with the help of BEMP!

Family History Visualized

In February we spent time talking about how important friends and family are at our Family History Night and Palentine's Party. Some of us learned the names of our great-grandparents for the first time or heard stories again for the 20th. It's great to know where we come from and see the different forms families can take. *Above, Kylie shows off her interpretation of a Family Tree with some friends before her Mom arrives for Family History Night.*

3-D Creativity

If you are interested in designing some fashion-forward accessories to accent your wardrobe, here's the team to consult. Bella and Dillon are some of the children discovering the rewards of patience and planning when it comes to art projects. These glasses are made from 3 pieces and took about an hour to make.

Friendly Competition

Here at Children's Choice we like to play! But some games require an opponent, so then we have to accept the possibility of losing. That is made a lot easier when we are with friendly competitors! *Above are Demetrius and Jesse, taking a brief break from dodgeball at the end of the day. Below, Zamari and Addison are about to test their strength (and laugh a lot!).*

Local Chess Champ!

Our very own Max Elkins recently took 2nd place in the NM Youth Chess Championship. Nice work, Max!
