

Hubert Humphrey March 2020

March is “Animal Planet” Month at Children’s Choice!

In February we surveyed the kids to see what they wanted to learn about this spring. Many of their responses were about animals, so we decided to plan a month of curriculum that teaches them cool things about their favorite animals and creatures. Activities will include turtles, lizards, pandas, cats, dogs, tigers, birds, deer, and many more!

Conference Days and Spring Break in March!

School will be closed on Thursday, March 12th and Friday, March 13th for Parent Teacher Conferences. School is also closed for Spring Break from Monday, March 30th through Friday, April 3rd. Children’s Choice will be open at Osuna Elementary from 7am-6pm for both Conferences and Spring Break. To sign your child up for care on these days please log on to your parent portal and sign up there. The deadline to sign up for Conferences is 3/8 and the deadline to sign up for Spring Break is 3/25.

Gym Games! Children's Choice has begun using the gym more regularly in the afternoons and it has opened up a huge variety of activities that we can run at the site!

In Smaug's Den with Dennis, the kids had to try and sneak up on the "dragon" and steal his treasure without getting tagged.

In Snow Castle Battle with Aviva, there were two teams trying to keep their cup castles standing while working to knock the other team's castle down with snow balls.

In All Stars Basketball Club with Wyatt and Beau we spent each week playing basketball in the gym and working on having good sportsmanship with each other.

During Dinosaur Dodgeball with Easton we played dodgeball where you had to throw and roar like a dinosaur. We began talking about our favorite dinosaurs and this is what the kids had to say:

"Mosasaur because it's a cool fish eating dinosaur that swims and most dinosaurs don't swim." –Riley B (1st)

"The T-Rex because he is one of the biggest dinosaurs." – Kamali M (Kinder)

"The T-Rex because he has sharp teeth and is a meat eater." –Easton G (Kinder)

"The Velociraptor because it was the apex predator of the time. They also hunted in groups and had a 3 inch claw." – Conner L (3rd)

"The Brontosaurus because I don't like meat eaters." –Juliet L (3rd)

SPACE BUBBLE GUM PIE CHALLENGE!

During this Hubert Humphrey CC Tradition we split the kids into grades and challenge a staff to eat through a pile of whipped cream and blow a bubble before the kids can. Our kid winners this year were Lydia M, Shiloh G, Audrey M and Landen G, but the staff still scored more points and won!
