Rolling Into August

There have been many changes here at CC, but one thing always stays the same: we're here to bring the fun.

As of now, we will be located here at Bandelier until August 21st, and will do our best to keep families informed about what's on going with our program.

We spent our week giving thanks to those who work hard around our community by making cards to share our appreciation. We challenged our pods to create videos of their favorite jokes to spread smiles and to take the time to cross something off of their Summer Bucket Lists.

Thank you for all of your support, we can't wait to see everyone back next week!

Reminders:

-BREAKING NEWS: CC IS OPEN UNTIL AUGUST 21st! Keep an eye out for our emails to keep you up to date on our school year status.

- Please call our main site phone (505) 459-0576 for drop-off and pick-up!

Pod Life

Pod 1

Pod 1 welcomed Shyla back this week, and they're planning on making the rest of the summer a hit. They continued the novel "Holes," took walks around our community, and spent their days working away at our weekly pod challenges.

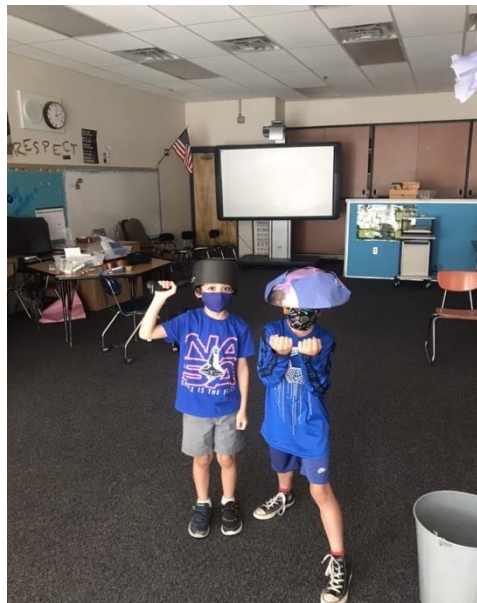

Pod 2

These guys spent their week constructing a solar oven out of a pizza box. "We tried to heat up some nuggets," said Ellis. "I didn't eat them, but they were warm." They also took trips to Hyder and built domes made from recycled material.

Pod 3

Pod 3 kept us laughing this week by recording some of their best jokes and sharing it with the other groups! They also created funky beats with technology and learned some new dinosaur facts about Pachycephalosaurs.

Pod 4

This pod has been blowing through their pod challenges! They used this week to give thanks to their pod leader Monica by throwing her a surprise party. They also created their own news show: "Leena and Finn in the Morning!"
