Flying to Double Eagle!

It has been a grand time at 6501! We learned a lot together as we tackled distance learning while still sneaking in some fun. However, we are so excited to move to Double Eagle where we can play on the playground, meet new friends, and be back in a school environment! We are so excited to continue to learn and grow with your kids as we embark on this new adventure! **Please bring headphones, a charged IPAD/Chromebook with a charger, a mask, and a detailed schedule of your child's day!**

See you at 8901 Lowell Dr. NE.

Reminders:

- Moving to Double Eagle beginning Monday Sept. 21!
- We are in need of 5 (20ft) extension cords. Please let us know if you have one or more to donate.
- Stay updated on emails to know current registration information.
- Remember to prepare your child with all they need for distance learning.
****Please send your child with headphones and fully charged Ipads/Chromebooks****
- We will come to your car to take your child's temperature. If they are above 100.4 they must stay home. Please stay in car for pick up
- Remember to check-in on your child's classes daily, to ensure everything is completed. **Please communicate any needs in child's communication log!**

Farewell 6501!

Sophia and Jair were excited to use some of their spelling skills on the typewriter! They loved that they could see the letter on the paper as they hit the letter on the keyboard.

Having a calm morning with some coloring time! Their favorite medium to color with is gel pens!

Twin Day for our last day! Sophia wanted a selfie so we played with spacing to fit together while staying 6ft apart!

Eduardo had a 2 minute break in class and he choose to read his favorite book!

Jair worked really hard in school! So hard, he needed a good nap!
