Comanche Cubs Club

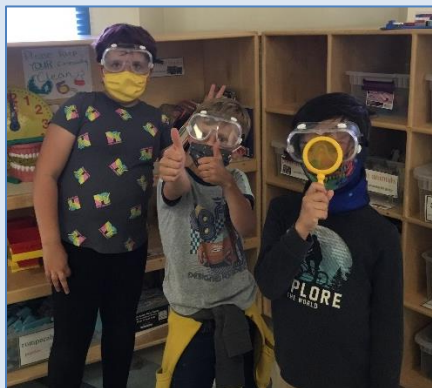

Celebrating the Year—And Each Other

After over a year of living through the pandemic, we can reflect on how much we have overcome and take pride in the hard work we have put in to get through a school year like none other. At Children's Choice, our core values have stayed the same, despite distancing and mask-wearing. Friendships are created, memories are made, and a community has been formed. Asking the kids to take a moment and reflect, the staff explore what kids will remember most about the 2020-2021 school year.

"I will remember my friends. I missed them so much!" —Kristine

"I will remember how boring online school was." —Ian

"I will remember Gonzo! He always plays with me and helps me." —Anna

Weekly Kid Spotlight!

Olivia R.-5th grade, 11 years old

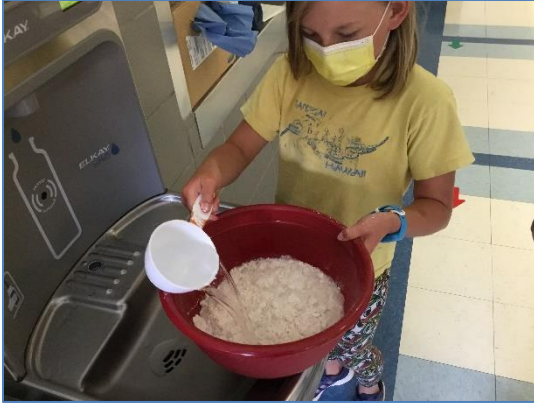

Get to know Olivia:

- 1) Ok, the time is finally here. You're at the end of 5th grade. How do you feel about going in to middle school?
"Um, I don't know..." Are you excited, nervous, bummed? "All of that." Do you know anyone in middle school now that you could talk to about it? "My best friend, Rose. She goes to the same middle school that I'm going to go to next year." Most Comanche kids go to Cleveland or Madison. Where will you be going? "Cleveland." What do you think you'll remember most from elementary school? "My friends. Only three of them are going to Cleveland, so I'm bummed we all won't be together anymore."
- 2) Do you have any pets at home?
"Yeah, I have two dogs, Buddy and Hazel." What do you like to do with them? "They really like to go on walks. The other day, Buddy ran out and just ran away. We tried to go after him, but I couldn't do anything. Luckily, he finally came back. That's happened like three times now. He doesn't go very far. He just always goes to where we always take them on walks. That's just the only place he knows where he won't get lost, I guess." Have you always had dogs in your house? "Yes. We've had them for like 8 years." When you're an adult, do you want to get any other kinds of animals? "No. I used to want a snake. Snakes are cute. I'm probably not gonna get one though. I love dogs more. I'm not sure my dogs would be happy with a snake around."
- 3) If you had to evacuate your house in 10 seconds, what 3 things would you grab first?
"Can you take people?" Sure. "Ok, then my two dogs..... I don't know. I just can't think of anything else that I would really need."
- 4) What is your dream vacation?
"Disneyland." Have you ever been before? "Wait, I think I went to Disneyland, but not Disneyworld." Why would you choose there out of anywhere in the world? "I just think it would be a lot of fun. Just going on all the rides and stuff."
- 5) What is your dream job?
"I don't know. I just want an exciting job. Nothing boring." Like something outdoors? "Maybe a professional baseball player." Awesome! You could be the first woman to play in the Majors. "Maybe. Someone might beat me to it, but I still think it would be cool. I might play basketball too. I don't know."

This Week at Comanche...

Nutella Pancakes and Crepes

Breakfast Table: This week, Riley and Eleanor made pancakes and crepes for the Comanche kids and staff. "We're going to put Nutella inside the pancakes. It's gonna be so gooey and chocolatey...Mmm!" -Riley

Getting It *Just Right*: "Oops! We accidentally put an extra cup of water into the bowl." -Eleanor

"That's ok. We can just add more of the dry mix to get it just right. As long as we get it to the right consistency." -Riley

Serving the Community: The 5th grade girls are always super excited to provide for our CC community. "I like to see my hard work make other people happy." -Eleanor

"It is so yummy! I have never tried Nutella pancakes before!" -Audreena
