This week is all about creativity and community!

LET'S LEARN ABOUT: SALVI

Q: What do you do you want to be when you grow up?

A: A policeman because I kind of like them a lot.

Q: What do you like about policemen?

A: They catch bad guys and I'm already a policeman, so I guess I like myself.

Q: How long have you been a policeman?

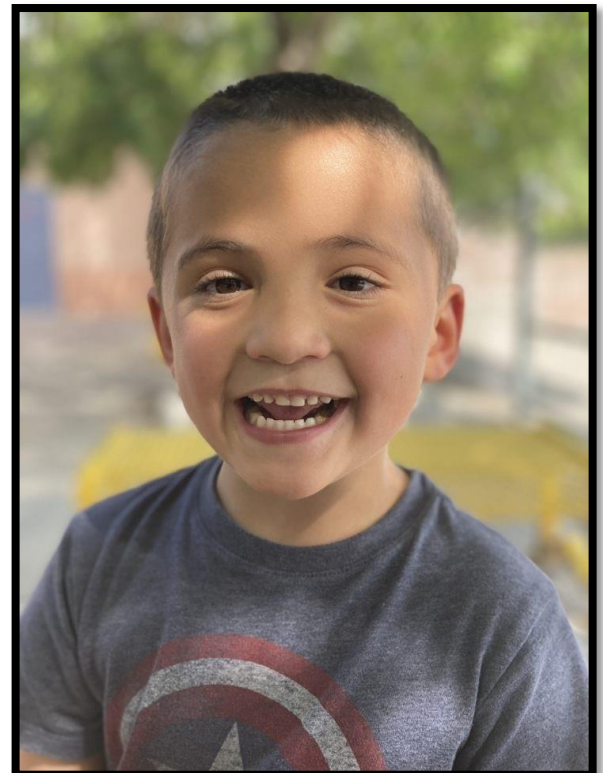

A: I think 2 or 4 years, I don't remember because it's been a long time. I started working when I was 3 or 4. I was a small 4 and then a big 4. My birthday is June 2nd, so it takes a long time.

Q: What is the best and worst part of your job?

A: I like to work a lot, but it's hard to find the station when you first start working!

Q: Is it hard to work and go to school?

A: It's hard because I have to go back and forth. Can you believe that? All day long!

Salvi is a kindergartener at our site, he works hard and loves his job!

PEN PALS

We wanted to reach out to other Children's Choice communities and make some new friends. We began with simple but detailed introductions of who we are and what we like. Amelia said "I like having a pen pal because it's fun communicating through writing and sometimes you get to meet them in person. It is fun making new friends!" In the future we hope to continue communicating with our pen pals throughout the school year. Some ideas we would like to try are care packages that have things to represent who we are, facetime calls, and meet your pen pal field trips.

GETTING COZY IN QUIET AREA

Thanks to our wonderful group of helpers, featured in our last newsletter, our book shelf has become quite popular. We decided to rebuild our quiet area to encourage more of our community to relax, read and enjoy. Oliver (7) says "I love the bean bags, I wish it was giant so it could be my bed!" The seating seems to be a hit! "It makes it nice to read, it's like a library room in CC." said Hoa (6)
