

Super CC Kid of the week!

Get to Know Parker!

Parker is in Kindergarten. She loves to relax, play zoo, make things, and play with her friends! She spends most of her time at Children's Choice in the Quiet Area, or in the Science Area. You can usually find her on the little couch or building the right corral for her animals! Parker is kind, imaginative, silly, and always willing to help a friend.

Mini Interview:

What are you doing?

Just watching them because they're just spinning and funny. *As she watches her older sister and two friends spin.*

Who's the funniest out of the three?

Nathaniel, yeah.

Do you think any of them are going to fall?

Nathaniel is going to fall he said he's a pro though so he's going to fall maybe. Maybe they're not going to fall hopefully.

What do you like doing?

Oh my grandma, it was her first day here yesterday we had a pizza party after our Covid shot.

How was your Covid shot?

Good but there was a girl fighting because she did not want to get a shot. But I got this cute little chopstick at Claire's after I got my Covid and Flu shot. But by the time we were done Hayden and I were crying on the way out of the gym because we got our shots in the gym and we had to wait there for 20000 minutes.

MAGICAL MOMENTS!

Arianna "I really wanted to win but didn't say it cuz that would be like saying I wanted other kids to not win. I just ran my hardest and did my best. When I saw my chance I just LUNGED!!"

Dash, after giving his all, "I didn't think it was gonna be THAT hard"

Turkey Trot

The Annual Turkey Trot was a blast! Bridey dressed up as the Turkey for grades 3rd-5th. They all raced after Bridey around the grassy field! Kids raced to pull a feather off the tail to win a turkey, pie, or cider prize! However this year there was a spin. The 3rd-5th grader that won the turkey also got to become the turkey if they chose to! So Dash suited up for K-2nd run. He really went the distance and we had three more winners. Bridey and Dash really inspired some good cardio before the feast next week and, it was so fun to cheer each other on!

Beanie Boo & You & You Surprise!

We had a fun surprise pop-up Beanie Boo & You & You. We all got re acquainted with our beanie boo friends as we shared some information with each other about them. We all then gathered for some stories to listen to with our Boo's. The first story, determined by a "Boo Vote", was an African Folktale called "How Many Spots Does a Leopard Have?" Beanie Boo Club then wanted an encore so they read a second story called, "The House That Ate Mosquito Pie" by EE Cummings read by our newest Staff Peach! This lulled some friends and their boo's to sleep. Overall it was fun to get together! And as Bruce said "Aww Yeah Beanie Boo is the best!"
