Tether Ball

For the last week, Coach has left up the tether balls on the courts outside. The kids were so excited to share this new sport with Michaela on Monday. They all said, "Kelly is SO GOOD!" The kids encouraged one another, giving each other extra tries or taking turns serving (regardless of who won). They played and played... and then played some more! The fun carried over to the next week when tether ball was still a big hit! By Tuesday, Laiyonna said she had actually gotten better at hitting the ball! Phoenix and Kelly were both being great sports and teaching the younger kids how to play.. and they even shared tips and tricks to get better!

Getting to Know Juliet

Sommer: What grade are you in?

Juliet: I'm in third grade.

Sommer: What do you like to do when you are at Children's Choice?

Juliet: I like to draw and play with my friends.

Sommer: Who are some of your best friends?

Juliet: My sister, Melia, Adel.

Sommer: What do you like to do together?

Juliet: We like to draw and play outside.

Sommer: What qualities do you think make a good friend?

Juliet: Kindness, loyleness, and funniness

Sommer: Do you have any pets at home?

Juliet: I have a kitten, we call her kitty but her name is Oreo.

Sommer: What does she look like?

Juliet: She's a tuxedo cat. She's black on the majority of her body and her stomach and mouth are white.

Sommer: Are you going anywhere on vacation this summer?

Juliet: I'm going to Ruidoso and somewhere out of state for my birthday. It's a surprise. It's mine and my dad's, I'm turning 10 and he's turning 40. So this is a big birthday.

Sommer: Have you ever been to Ruidoso before.

Juliet: Yes, I actually went there on Spring Break.

Sommer: When is your birthday?

Juliet: September 28th, me and my dad share a birthday.

Sommer: Where do you hope that you are going?

Juliet: Disneyland, that's my dream trip.

Sommer: Can you tell me about your drawing?

Juliet: We are having a little contest by drawing an emoji. Then we are going to see who drew the best one.

Sommer: What is one thing you would like to learn more about?

Juliet: The rainforest, because that's what we are learning about in class.

Basket Bash

Sombra del Monte had their annual Basket Bash! We spent some time watching a movie and snacking on popcorn and popsicles before the kids got to explore Basket Bash with Gonzo and Michaela. They danced, played, and got to go inside a fire truck! Isaac said the coolest part was the loud siren. It was so loud that it even scared him a little! See more pictures on the last page

Mother's Day Project

As told by Adel:

Michaela told us what to do. We had to use clay. Kendra passed out the clay to all of us. We kneaded the clay, put our hands on the clay, cut out the shape of our hand, and then we had to paint our hands. We used the drama area pots and bowls to make our clay hands curved. After we were done making the hands, we got to use the extra to make whatever we wanted, like hearts and rings!

Tether ball!

Naruto Trivia

Andrew was just watching, and he said the people who lost were a little upset after because they really wanted to win the prize! Matthew won, and he won a cool bracelet with the village hidden in the leaf symbol on it (pictured before). Matthew said the questions were easy, and here's one for you!
