## WELCOME BACK!!

### Welcome to the new School year!!

Thank you for joining us for the new school year!! We will keep your child's brain and body active and engaged during our playful and educational before and after school care program!

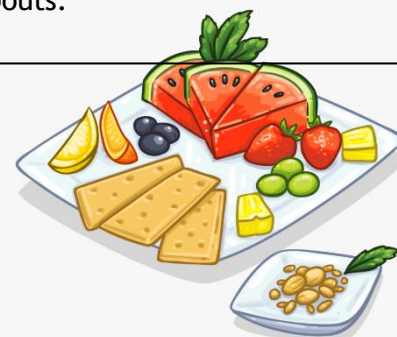

### Personal Belongings

Help us to return lost items to you by labeling your child's belongings before you send them to school. Unclaimed towels, lunch boxes, etc. will be placed in our lost and found. Additionally, at Children's Choice we strive to provide your child with a variety of materials and activities that are suited to his/her interests. We encourage kids to keep important/expensive toys, electronics, etc. at home. If they choose to bring such items to the program, they are solely responsible for their safety and whereabouts.

### Snacks

Children's Choice will provide daily snack. A snack calendar is posted in the parent area. If your child has specific dietary needs, feel free to send your child with a snack from home. Snack items cannot be refrigerated or reheated.

### Fun in the Sun!

For the first few months of the school year, we will continue to enjoy the hot New Mexico sun! To make sure we have as much fun as possible, we will sunscreen daily. If your child has specific sunscreen needs or preferences please be sure to send your preferred, labeled sunscreen with them.
