*A Word
from Your
New Site
Director
Savana*

Hi! My name is Savana George and I am so excited to be the new Site Director here at North Star! I had the pleasure of working with some of you over the holidays, when North Star and Double Eagle would combine, and can't wait to meet everyone. My staff and I are very much looking forward to working with all of you to maintain this incredible community and create new and wonderful memories!

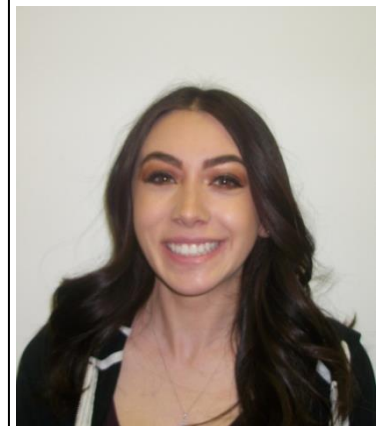

WELCOME BACK!!

Your 2022 Staff Line Up:

Ben Neff "My favorite thing about Children's Choice are the staff I work with. We all want the same thing which is a safe, fun and memorable year, yet we all have different strategies and ideas and plans which all come together to make us whole. I'm looking most forward to the challenges that we will all face together"

Amber Vigil "My favorite thing about Children's Choice is getting to know all the kids and the things that they enjoy, as well as getting to enjoy that feeling of being a kid again by engaging in activities and clubs with all the kids! The thing I'm looking forward to is getting to know all the new faces of the kids and staff I'll meet at North Star!"

Lara Karatas "I love that we get to be a safe space for so many kids' learning opportunities and new experiences, where they get to learn about not only themselves but each other too! I look forward to getting to learn new things from the kids and hopefully be able to give back just as much!"

Marisa Trillanes “My favorite thing about Children’s Choice is that it gives me the opportunity to be happy and excited every time I think about work. Unlike many people who don’t love or even hate their job, working with these children puts a smile on face every time I get to see them and that’s something I don’t know that I could find somewhere else. This year I look forward to being able to create lots of new and fun things that will keep the kids excited and energetic even after a long day of school!”

Daisy Gutierrez “My favorite thing about Children’s Choice is that it’s a safe and comfortable environment, not only for the kids, but also for the staff. Definitely my most favorite thing is making connections with the kids and getting to know their individual personalities. I’m looking forward to seeing the kids that didn’t go to summer camp and catching up with how their summers went. Also, continuing to make more memorable memories with the kids!”

Bree Reyes “My favorite thing about Children’s Choice is the freedom that all the kids have to make all their own choices. Being in the art area and seeing all of the creations they make is also my favorite! Working with the littles and seeing them learn and grow every day is so much fun to watch. Children’s Choice is by far the best place I’ve worked. I’m looking forward to working at a new school with new kids and a new team!”

Carlos Loera “My favorite thing about Children’s Choice is that we get the opportunity to be a part of our kids’ childhood and development. Everyone has memories from when they were kids. The kids of Children’s Choice, when they think of their childhood later, they will think of us and the program! I also enjoy that it gives everyone (staff and children) a new beginning every day in a sense. Although anyone can be having a bad day, walking into CC is a new opportunity to be positive and to just enjoy being a kid again!”

Katelyn Johnson “My favorite thing about Children’s Choice is getting to know all kids and watching them grow into their personalities. Also, they get the freedom to express themselves in their own way. I’m looking forward to meeting all the new kids and staff I will be working with. I can’t wait to see what the school year holds for all of us!”
