 -Animal Creations
 -Air Show

Parent Meeting
 November 29th 6 pm
 Join us for Pizza and Program Improvement!!

Interview of the Week: Maddie

Hi Maddie, have you ever done an interview before? Nope, never. Ok, no need to be nervous, I'm just going to ask you a few questions and get to know you better! How old are you? I'm 6 and in first grade. My teacher is Ms. Lopez, I like her because she is funny. I like Ms. Lopez too!

So, you like funny, do you like to tell jokes? Not really.

What are your favorite colors? Pink and blue! Pink is my favorite color too!

Are you excited for Thanksgiving? Yeah! My favorite part is having fun with my family! That's really great, I love my family too! What's your favorite Thanksgiving food? Turkey! Turkey is tasty! Can you make a sound like a turkey? Gobble gobble! That's an awesome turkey sound! Well thank you for doing this interview and Happy Thanksgiving!!

ANIMAL CREATIONS

Here at Hubert Humphrey, we are true animal lovers! In fact, animals are often the center of our games, creations and play.

Frequently, you will even find us making our very own animals. In fact, this week, we put our animal instincts and creativity to work. We decided to spend the day making paper chain pythons!

Felicia made a “Sssneaky snake!”
Dylan made a “Sssslithering snake!”
Shrey was particularly proud of his snake’s slithering tongue!
Caleb’s snake was sssso big that it split into two snakes!!

We also created our own dinosaurs and held our very own dinosaur wedding! Wedding arrangements included a full wedding party of dino siblings, groomsmen, and bridesmaids. The father of the dino bride made an appearance, as well! And, what wedding would be complete without confetti?! So, we made and threw our own confetti on the happy couple!

Congratulations to the bride and groom!!

2022 TURKEY TROT

One of our most cherished and anticipated Children's Choice traditions is our annual Turkey Trot! The competitors were divided by grade levels and assigned their very own turkey to chase!

Kindergarteners and first graders chased down Turkey Seth.

Second and third graders ran after Turkey Rick.

Fourth and fifth graders were in hot pursuit of Turkey Drew!

1st place received a turkey, 2nd place a pumpkin pie, and 3rd place a box of stuffing!!

WINNERS:

KINDER/1ST : RYAN, VIVIAN, AIDAN

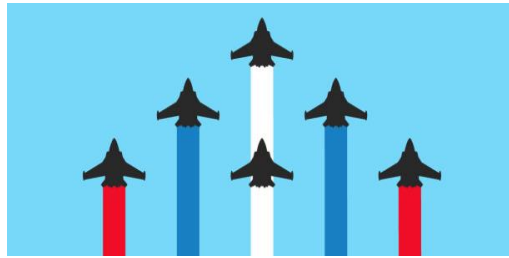

2ND/3RD : LEVI, SAMUEL, KINGSTON

4TH/5TH : DEVON, RHEA, BEAU

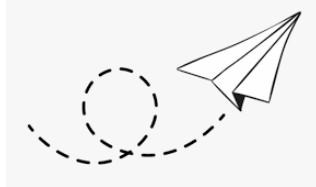

Hubert Humphrey Air Show

Everyone knows that, in New Mexico, fall means wind! But, did you know that wind at Hubert Humphrey means flying airplanes?! A lot of us have been experimenting with making different types of airplanes and using different materials. So, this week, we got to work on creating our very best airplanes with the very best materials.

Then in true Hubert Humphrey fashion, we took our airplanes outside for a little flying competition!

We wanted to see a few things:
Whose airplane can fly the farthest?
Who can do the most exciting airplane tricks?
Who can fly the highest with their airplane?
Who has the coolest looking airplane design?

Farthest: Joseph

Most Exciting Trick: Elijah (loopy loop)

Highest: Devon

Coolest Design: Myra
