## REMINDERS/ANNOUNCEMENTS

PLEASE PICK YOUR CHILD(REN) UP BY 6:00 PM! The school closes the gate promptly at 6:00 PM. If you are running late, please call us on the site phone at 382-1914 to let us know.

We will be at Inez for Parent/Teacher conferences from the 21st - 23rd from 7 AM - 6 PM. PLEASE BRING A LUNCH!

Children's Choice will be CLOSED for Thanksgiving and the following Friday. Have a great long weekend!

# ROCKETS IN ACTION!

## Book Drive with Miss Rachelle!

Last week, our very own Community School Coordinator, Rachelle, came to Children's Choice to run a book drive with the kids! This involved going through all of the books we have in the Quiet Area (of which there are many!), and deciding which ones we should keep and which ones we should donate. Rachelle talked to the kids about the importance of reading, and how it is a skill and gift that we should give to other kids, too. We may be parting with a few cherished books, but it's good to know that they will be going on to other kids who will benefit from enjoying them, too!

We've been lucky to continue to have nice, warm weather the last few weeks, so the kids have been making the most of it while it lasts! Four Square tournaments continue to be a favorite past-time for kids of all ages, and well as a new, more complex version of Cops and Robbers that the older kids made up. Let's hope we continue to get more sunny days this month!

# ROCKETS IN ACTION!

From Mikaela :

This week the kids wanted to paint their nails, so what's better than having a nail painting party!? The excitement of picking multiple colors and some of the older kids stepping in to help the younger kids paint their nails was a heart-warming experience! Shout out to Marie and Carla (Gianna's mom) for bringing in supplies and help paint nails as well! ♥

## MAGICAL MOMENTS

Getting Darker Earlier = Glowstick Dance Parties!

One silver lining to the shorter days has been that it gets dark in the cafeteria, too - which means some of our favorite winter past-times are coming back! Last Friday we had our first Glowstick Dance Party on the stage, and soon we will be bringing back another favorite game - Alien Tag!

# KID SPOTLIGHT!

## Interview with Harmony (age 7)!

### 1. How are you, Harmony? How's school going?

Great, school is good. We do equation math and I like it.

### 2. What's your favorite subject?

I like math because it's cool and I learn a lot.

### 3. What would be your dream vacation?

I would want to go to the beach in California and look for shells and build a sandcastle.

### 4. If you could have any superpower what would it be and why?

I would want the power of kindness! Also, to be able to turn invisible.

### 5. What's your favorite thing about CC and why?

I like playing outside during CC because we get to go on the whole playground.

### 6. You've just won a million dollars. What's the first thing you'll do with the money?

I would share my money with everyone, especially my family, my friends, and old people.
