Interview of the week: **Mara**

-Decades Day

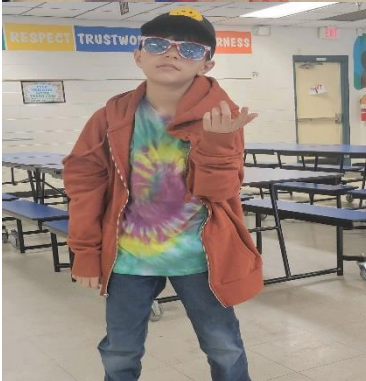

-Dodgeball Tournament

-Butterfly Treats -What's New at Hubert Humphrey

Hi Mara, how was school today? It was amazing because we got to go to the Science Fair and I got to present my project! What was your project on? It was on a lemon volcano. You need a lemon, food coloring, baking soda, a knife and a pan. And then it kind of explodes! That sounds really scientific and really awesome!! We will find out on Monday if I won!! Well good luck to you, I'm sure you did great! Thanks! Well, since you're such a scientist, what is your favorite dinosaur? That would be a pterodactyl, because they can fly and their super strong. Well, Ms. Mara, I think you are super strong!! And, I have just one more question for you; what is your favorite animal? Cats, I love cats; see this is my cat!

## DECADES ◀REWIND

Here at Hubert Humphrey, we are all about the school spirit! So, as soon as the student council announced Decades Day, we all got to work planning some cool, groovy and tubular outfits!!

Vivian and Amelia, ages 7 and 10-middle right- "Peace and Love Man"

Sofia, age 9-middle left- "The 80's had lots of color fashion, I like that!"

Evie, age 5-lower left- "My outfit has a poufy skirt, but it's a little big."

Braxton, age 5-bottom right- "I'm just a ninja!"

Michael, age 9-bottom left- "I'm a groovy dude. Do you like my tie-dye?"

# DODGEBALL TOURNAMENT

Have you ever seen an Angry Penguin?! Well, here at Hubert Humphrey we have twenty of them; our dodgeball team! After weeks of training and practice, the day of our first set of dodgeball games against Georgia O'Keefe, finally arrived! So, dressed in our very best Angry penguins gear and armed with our favorite dodgeballs, the team loaded onto the bus and headed to GOK!

## THE RESULTS:

After a bit of a slow start, the Angry Penguins got tough! We beat Georgia O'Keefe 3 games to 0! That's right, our Angry Penguins came back victorious and excited for the next round of games!!

For our next match, we will play North Star! Stay tuned for game details!!

## GO ANGRY PENGUINS!!!

## Butterfly Treats

Have you ever looked at something in nature and thought "That just looks tasty"? Well here at Hubert Humphrey we enjoy nature and tasty treats, so we thought we would put the two together and create some tasty butterflies!

## How to Make:

1. Gather supplies: snack bags, clothespins, pipe cleaners, markers, glue, and your favorite snack (we used M&Ms).
2. Color and decorate your clothespin-this will be the body and face of your butterfly.
3. Cut and shape your pipe cleaners for antennas. Glue to the top of your clothespin.
4. Fill your snack bags with your chosen treat. If desired, you can use two different treats. Close and seal bags once full.
5. Pin your treat bags in the center of the bags.
6. Enjoy a beautiful handcrafted treat!

## What's New at Hubert Humphrey?!

### **HUMANE SOCIETY**

As part of our continued efforts to learn and grow as a community, this month, we will be launching a partnership with the Albuquerque Humane Society. We will be making blankets for shelter animals and hosting a toy and food drive. If you are willing and able to contribute in any way, please speak to any member of our staff for more information!

### **CHILDREN'S CHOICE SOCCER GAME**

Next up for Hubert Humphrey, we will be participating in a Soccer game against Arroyo del Oso! We are so excited for these opportunities for continued growth, fun and the ability to interact with other Children's Choice sites!
