Dodgeball Practice

For our last dodgeball game, we traveled to North Star Elementary. This week the dodgeball team from Arroyo Del Oso Elementary will be traveling to our school for a match!

We decided to have a practice last week where we went over the rules and talked about strategies for winning the match.

“Remember guys, if the ball hits your teammate and goes up in the air, you can still catch it and save them!”

-Daniel

CREATIVE KIDDOS

The Children's Choice Art Area has been busy! The kids love to get creative and show off their artistic talents. Whether it's bookmaking, creating cards for parents, or just drawing whatever comes to mind!

"I think that Art Area is my favorite thing to do when I'm not outside!" -Brandusa

Woodworking Wonders

This week in the Construction Area, Dage and Landon built a giant roller coaster out of whatever materials they could find. Then, they tested it out using some toy cars.

When asked how long it would take to construct this coaster in real life their responses were:
“Well, definitely longer than it took us to build this one.” -Dage

“At least a month, probably longer” – Landon

Snack Attack! Fake it Till You Bake it w/ Kayden

Hunter gave Kayden the reins and let her facilitate while he supervised.

“We made Madeleines, but without the special pan they looked more like mini cupcakes (but still tasted great!)”

“We added blue food coloring to the recipe, but because the batter was yellow, they came out green!”
