# SPRING HAS SPRUNG!

## **ANNOUNCEMENTS AND IMPORTANT DATES**

- **Hiking Field Trip w/Sombra del Monte, April 10th 3:00-5:30** Our friends at Sombra have kindly invited us to a combined field trip to hike and enjoy a picnic at the *Copper Trailhead*. The location has changed since our previous flyer to a trail closer to school. A group will stay back for those needed. No permission slips required, only some good shoes to be active in and a water bottle!
- **NO SCHOOL April 26th**, Full day childcare will be available at Bandelier Elementary. A sack lunch that doesn't require refrigeration or heating up is required.

**NEW FACES** Our little CC community has been growing and changing a whole lot recently. Including a couple new caregivers that are joining the Manzano Mesa mob!

### **Zoey**

Zoey is a new caregiver at Children's Choice. A fun fact is her birthday falls on Thanksgiving every leap year!

### **Jade**

Jade is also a new caregiver at Children's Choice. She loves to travel and her goal this year is to travel to somewhere she has never been.

## Woodworking Wonders

HELLO!  
IHOLA!

HELLO

**“It’s over 10 feet tall!”**

Landon, 8

The Keva Blocks are continuing to be a big hit in the Construction Area! Dage, Landon, and Olivia challenged themselves to create the tallest tower that they can. They eventually used every single Keva Block that they could find. Eventually making a tower taller than the canopy and, especially, any of the staff!

# CC Manzano Mesa NEWS

## Adventures abound

Our plucky group of adventurers has been hard at work freeing a group of kidnapped villagers from an old mine ran by goblinoids! While some damage sustained, everyone came out a-OK, freeing the villagers, and earning a much needed level up! Not before a masked hobgoblin vanished in the shadows, leaving the adventuring party puzzled. Club members are gaining experience and building confidence. Working towards the goal of their fearless leader, Tait, being able to step down and appoint a club member as their new dungeon master!

## Pizza Pi day

What better way to spend Pi Day than by making some good ol' pizza pies! Many older kids took the lead on this little community event, working as pizza makers. Rolling dough, slicing toppings, and assisting others with creating their mini pizzas. Shoutouts to the mathematical constant, pi, for teaching us how to truly appreciate the best culinary circle, the pizza!

**"Why is this for PI day? Are pizzas actually pies?!"** Daniel, 9

**"Popping the pizza dough can scares me, but it's kinda fun!"**
