

Family Night Performance!

We will be having two family nights this week to celebrate our community and the hard work of our two cast groups who have been practicing their lines for Snow White and the Seven Dwarfs!

Milo and a few cast members performed early with an improv loosely based on the play at the Celebration of Learning!

We are so excited to share all of their hard work with some snacks and provided by our older kids' concession stand.

Please plan to attend one of the showings with your family on either on May 14th or May 16th. Thank you for a wonderful year, we cannot wait to celebrate our community!

ASL Club with Ralynn!

Leo has almost been a constant for ASL club. He is motivated to learn and encouraged his friend Lionel to join the group a few times. Leo had asked questions about: "if a person can't hear or see, what do they do? How do they know what people are saying?" Then the topic we discussed was Deaf-Blind individuals and how they communicate and what their preference is to communicate. I explained a little about protractile communication and included Hellen Keller. Clementine has also been active in wanting to have full conversations in ASL. We learned some vocabulary first and then constructed sentences. I have seen that she motivates the group or she takes the lead in what they want to learn for the day.

MAGICAL MOMENTS!

Evi's Creations!

Jill and Ashaya made a memorial for our friend Hermie chad who passed away.

Meet Sophia! She is a new staff here at Bandelier! Ari and her duck are showing her around!
