Important Reminders:

BRING YOUR ID

Please ensure that any adult picking up your child(ren) has a valid picture ID to present to staff. There will be a few staff that are not yet familiar with you or your family, so this is important in order to keep all of our kids safe!

PACK A LUNCH

Please ensure that each child brings a non-perishable sack lunch, one that does not require refrigeration nor heating. We also strongly suggest that you pack a water bottle for them to refill throughout the day to stay hydrated!

FIELD TRIPS

Field trips are a big part of the Children's Choice experience, allowing the children in our program to explore their community. We will not be offering stay-backs, so all children in the program will be going on the field trips. Please note the dates, times, and locations of our field trips. Please make sure you drop your child off at the site on-time to avoid child care issues.

DRESS FOR SUCCESS

At Children's Choice, we play outside in all kinds of weather. Fresh air and active play are essential for keeping kids strong and healthy! Please ensure that your child has appropriate attire for whatever the weather may be! We have a couple days of water play, so bring a towel!
