Pizza Club

Pizza from start to finish included a quick trip to Dion's for their dough and marinara.

Navan planned the field trip and club so that they could learn together how to make some CC pizza to share with the Older Kids Club. They later went on to make some great tasting pizza at the site.

‘How much dough should we get?’ -Max

‘We should keep doing this activity.’ -Navan

‘Dion's pizza is so good. I could live here.’ -Rocky

Above and Beyond: Concession Stand

So, the kids decided to set up a little concession stand, which turned out to be a big hit. They were selling pickles and popcorn, and it seemed like they were trying to raise money for something good – maybe a donation. The whole thing was buzzing with excitement, everyone was really into it. And can I just say, the pickles were a massive hit! I kept hearing, "I love pickles!" from all sides. It was pretty funny how much they loved them. Of course, there were also the classic kid food debates going on. One of them was, "I don't like cheese," which is fair enough, everyone's got their preferences. But when it came to those pickles and popcorn, they were gone in a flash! It was like they couldn't get enough. It was just a really fun little project for them, and they seemed to have a blast running their own mini-store.

Sportsmanship with Ervin

The kids had some fun in the sun with Ervin as they enjoyed Sports Club. Stretching, getting to know you games, passing and more. They even got a quick sportsmanship activity lesson.

‘ We need to respect each other.’ -Zeke

‘ How do we make this fair.’ -Owen

‘ Its a great day to be doing this club.’ -Mia
